

# Heimdal Goes to Toowoomba

## Saturday 13 March 2010

### Doors open at 6 pm

The club is going to Toowoomba to explore our wonderful Queensland backyard and meet the local Danes. It's a great opportunity to enjoy the attractions of Toowoomba : there are almost too many to chose from:

How about lunch at The Lookout (spectacular views) at Picnic Point (run by a Dane, we understand) or maybe at the Preston Peak winery, a stroll at the Japanese Gardens at the University, a visit to the Cobb & Co museum (stonemasonry workshop), the Main Roads Heritage Centre or the Danish Flower Art Centre and cafe at Highfield (they also have a huge range of beautiful and interesting beads). You could also browse through antique stores, rest in Queen's Park (USQ Shakespeare at Frog's Hollow), be impressed at the Toowoomba Regional Art Museum, go flyfishing/fishing with Jørgen Skov (give him a ring on 07 3103 6535) and Sunday there are markets in several places as well as the High Altitude Rod Run in Margaret.

As there are a fair few Danes living in Toowoomba, we are beating the drum in Toowoomba to gather as many Danes as possible for a 'Café Danmark in Toowoomba' for Saturday evening, where we will serve smørrebrød and wienerbrød and get an opportunity to meet the local Danes.

We have hired a venue for the event starting at 6PM at:

The Toowoomba Jazz Society Inc.  
69 Water Street  
South Toowoomba

Gather a couple of friends or team up with other club members and enjoy a day out exploring Toowoomba and finish off the day with smørrebrød and a chat with the local Danes. Inspired by the venue, there will of course be Danish jazz.
